THE TOMAHAWK STAFF

An annual serves many purposes. It is a book of memories, a history, and also a candid portrait of the students and faculty.

Rather than choose a specific theme to be carried throughout the book, we just concentrated on accomplishing these purposes.

We hope that everyone who opens this book will find a true picture of life at Shenango.

OUR EXCHANGE STUDENT

To the Class of '70, teachers, and advisors:

Before I came to Shenango I knew the meaning of the word Individual, for I had always lived as an individual. Now after one year spent among you, I know the meaning of the word Community, which is a beautiful one. It has been a wonderful feeling to be a part of this community. Sharing work and pleasures has been a great experience for me. I have learned to know you and to appreciate you as true friends as the year went on.

My education was different from yours, so was my way of living. You taught me new ideas, a new value-system, and for this I am very thankful; I hope I brought you as much as you did me.

Learning to know people, to appreciate them, and to like them is the unique part of the AFS program; and I am really so thankful to you to have given me the great chance to participate in it.

If some of you have the chance in the future to go to France, I hope that you will be accepted as a member by such a warm community as Shenango.

It is really hard to put feelings into words — especially in English for me — but I want to tell you how much I appreciated all through the years your friendship and the help that you have always been ready to give me. I shall truly miss you all and always remember the numerous activities that we shared, work as well as fun. I wish you luck and happiness in the future.

Love,
Domy

"Life is not in the hands of fate, but ours." Thus was the motto chosen by the Class of '70 which climaxed its 12 years of education with Commencement on June 1.

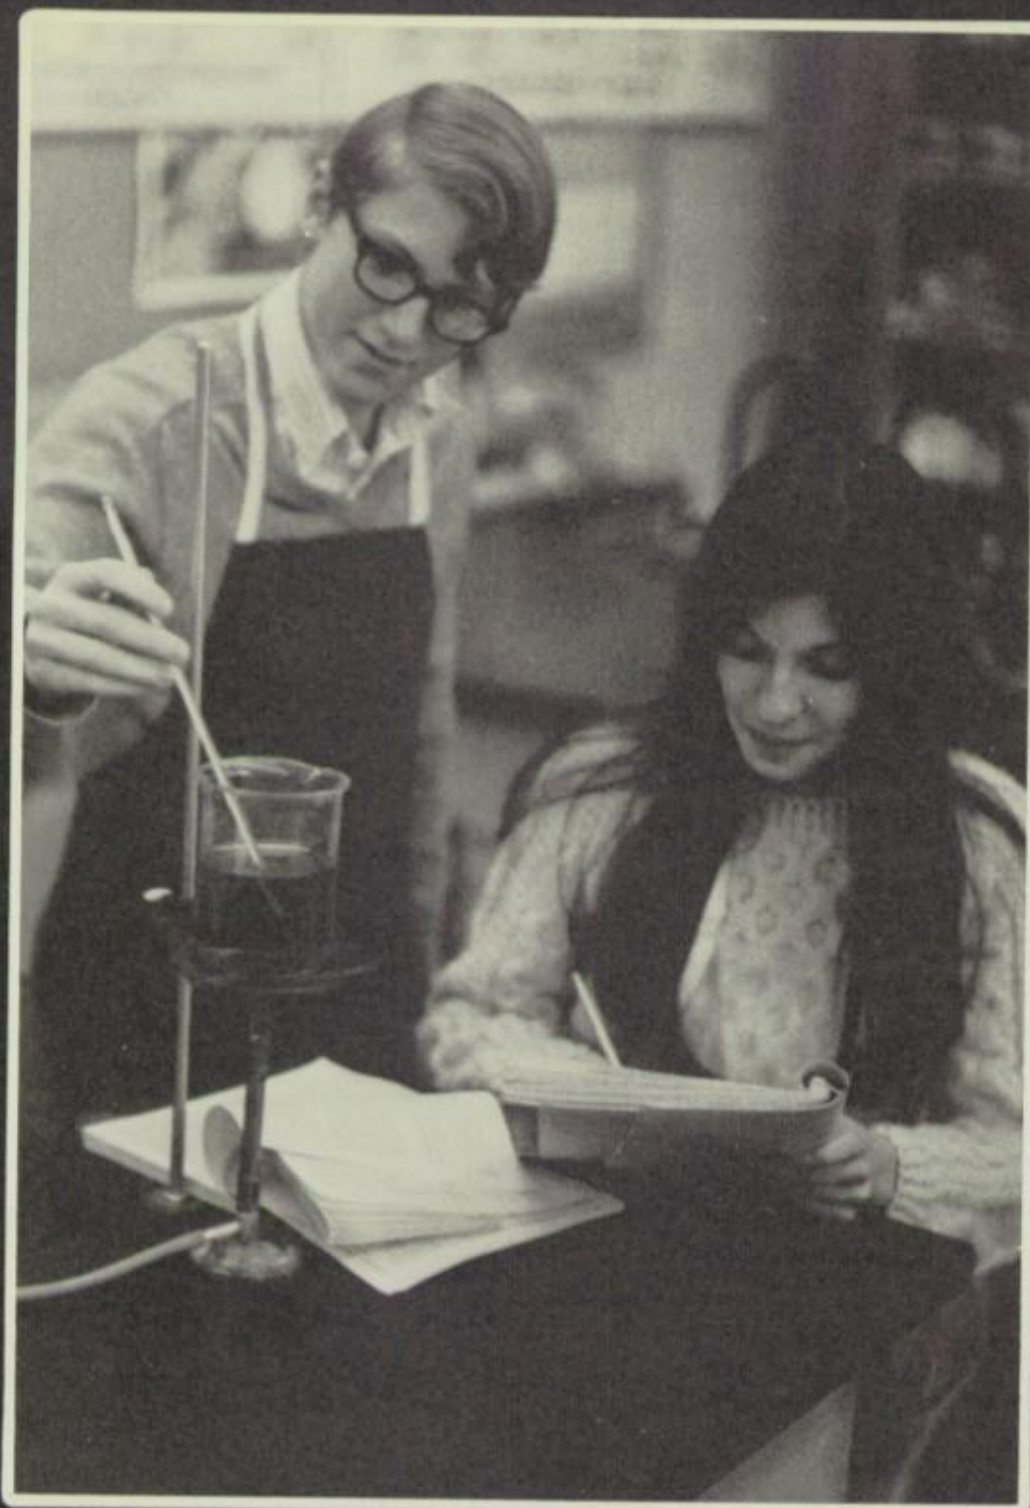

Under the leadership of President Doug Fombelle, the class participated in various activities which included Beau Brummel Day on March 5, the Senior Dinner Dance on May 1, and the Junior-Senior Prom held in honor of the seniors on May 15.

Mrs. Beverly Kiefer, Mr. James Uber, and Mr. Gilbert Mason advised the class during the junior and senior years. Advisors for the sophomore year were Mr. Paul Kassi and Mr. Gilbert Mason. Advisors for the freshman year were Mrs. Leslie Andrews and Mr. Joseph Harvey.

Olive and white were the class colors with a white rose as the class flower.
